Subject: Sunday Worship

As per the recommendation from Washington Presbytery, we are suspending in-person worship until further notice. When church does resume you will need to make a reservation with Don Hanes by Friday of that week; his cell number is 412 – 580 – 1634. We apologize for the inconvenience but also want to ensure the safety of our church family until this situation is under control. Please see the church's website for any additional information or feel free to call a session member. We pray that you and your loved ones will continue to be safe and make good decisions about your health and well-being. May the love of Christ be with each of us.
